Rules governing custom jerseys – Read Carefully!

1. All parents must agree to order custom jerseys. If anyone does not agree, the team will use the jerseys supplied by the Frisco YMCA. Some families may be on Financial Assistance -- but for whatever reason, if everyone does not agree, you may not order custom jerseys.
2. Teams may not order more jerseys than the number of players on the team. The sports department will know how many jerseys you ordered, so do not attempt to purchase more jerseys than the number of players registered for your team. Doing so will result in suspension from the league.
3. Jersey colors and Team Names must be approved by the Frisco YMCA sports department before ordering – this is to avoid duplicates. A team will not be approved for a jersey color or team name unless that team is registered.
4. The Frisco YMCA is not responsible *in any way* for custom uniforms.
5. Custom Jerseys may NOT be bought anywhere besides the YMCA Storefront.
6. No one will be reimbursed for ordering custom jerseys from the YMCA Storefront. (Your registration fee includes a generic non-custom jersey, but even if you order custom jerseys, the Frisco YMCA will not reimburse you for the difference in cost).
7. Do not attempt to order jerseys later than 3 weeks before the start of the season. The jerseys will not be delivered in time.
8. **Basketball jerseys MUST be reversible** with one side white and the other side dark. Basketball numbers should NOT include 6, 7, 8, or 9. Acceptable numbers are 1, 2, 3, 4, 5, 0.)
9. Soccer, Volleyball, and Flag Football jerseys do not have to be reversible, but the team color must be approved by the Frisco YMCA before ordering (see #3 above).
