

YMCA Camp Grady Spruce Family Weekend

YMCA Camp Grady Spruce would like to invite families with children with Asperger's Syndrome, Autism and Down Syndrome to a weekend long outing September 17 - 19.

This is a family event, siblings and all are invited!

Our goal is to pull families out of their usual busy world and create an environment where the whole family can enjoy the outdoors, each other, and peers with similar concerns.

Deadline for reservations is August 27!
